Futurity is open to ANY horse that is 5 or under and not competed in barrel racing prior to Dec 1, 2009. There are NO REFUNDS FOR ANY REASON—no horse subs allowed—no vet releases. Rider subs may be made at any time. Horse may carry over time from futurity run to open Barrel Ba\$h on Sat/Sun (carry overs MUST be paid by check in and noted at check in). NOTE—we only take checks from WPRA members at our events. Entries made on site are CASH ONLY—this is strictly enforced. Barrel Ba\$h pre-entries are due Sept 24, 2010. You may pay your futurity horses carry over to the Barrel Ba\$h at check in with no late fee (processing fee for Barrel Ba\$h event will apply). Every horse runs 1st go round. Top 50% return to championship round Sun morning and bottom 50% (including no times) run in consolation round Sun am. Payoff is split 60/40% between championship round and consolation round. We have several incentives also—there are no additional entry fees for incentives. Please sign up for incentives at check in.

HFBI—The HFBI is not a separate run but it is a separate payoff for those horses entered in the Hawki Futurity sired by HFBI stallions. The HFBI pays each go round and the average and has \$10,000 in the purse.
